**PLEASE REFER TO THE ATTACHED PAGES FOR KING COUNTY DATA FEES**

#### **King County report formats:**

Paper printouts

Labels

Election data on CD or via email

Photocopied election abstracts

Election abstracts on CD

#### **Data May Include:**

Name of registered voter, voter ID and status

Registered address, city, state, zip

Mailing address, if different and if provided to King County

Precinct name and number, portion

Date of registration

Date of birth, gender

County-wide data will show voter history for last 20 elections

Identify if an ongoing or regular absentee ballot has been requested

Identify those who have or have not returned an ongoing or regular absentee ballot for a previous election or election in progress

**State law does not allow phone numbers to be published (RCW 29A.08.710)**

#### **Of additional use:**

Labels and lists by district (alphabetically or by household).

“Walking” or “door belling” lists in street order for precincts and districts. (This does not include voter history.)

Ability to target voters who cast ballots in specific elections. (Not available in household format.)

**Voter information may not be used for commercial or other non-political purposes (RCW 29A.08.740)**

#### **The following list options are available:**

Data is pulled by jurisdiction, smallest being a precinct

Targeted voters who voted in specific elections

Walking lists (registered voters in address/precinct order). This does not include voter history.

Voter history for the last five elections

**The following label options are available:**

All registered voters in alphabetical or precinct order

Ongoing absentees and/or poll voters

**To order miscellaneous election information (data, labels or lists):**

Call, fax, or come into the King County Elections office

Your order will generally be completed within 24 hours

If your order is placed after 3 p.m., the data will be available for pick-up on the 2<sup>nd</sup> business day.

Absentee voter information is available in the form of labels, lists and data. Specific election information is available approximately 35 days before each election. You can also purchase lists or data of voters who have returned their absentee ballots approximately one week after ballots are mailed.

**Commercial Demographic Firms**

Business firms also offer various voter statistics formats and services, such as targeting, printing, designing and mailing. They can also provide phone numbers and other demographic information. Options and charges for these services may vary from vendor to vendor. Check sources for a variety of products, services and fees.
